# ALPHABETICAL LIST.

NOTE.—The abbreviations in the names of the different post towns have been made on the uniform system of preserving intact the first three letters of the town, in order that the reader may have no difficulty when referring to the index; as, for example, **Carngh** for Carngham, **Malms** for Malmsbury.

The numbers attached to the post towns indicate the street, which will be found by referring to the town itself.

AARON H., hotelkeeper, Melb. (9)
Aarons J., auctioneer, Melb. (10)
Abadee M., genrl. dlr., Williamstn
